

Result : IXTJ

Personality Type : Mixture of **Mastermind** and **Inspector**

Important Traits :

- Applicant is expected to be **introspective, logical, clear-headed, dependable, practical, directive, and attentive**.
- As **strategists**, applicant is expected to be better than any other type at brainstorming approaches to situations. He/she should be strong-willed and very self-assured, and hence **good at taking decisions**. Though are decisive, such people are open to new evidence and new ideas, flexible in their planning to accommodate changing situations.
- Applicant is also expected to be highly **pragmatic**, and will put forth a great deal of time and effort to implement effective ideas. Such personalities are driven to solve complex problems and to create organized, decided, and executed solutions.
- As leaders, people with such personalities are **skilled in contingency planning** and entailment organizing, which are directive activities that tell the planner what activities to do and in what order to do them. Once in a position of power, they are known for their efficiency and willingness to adopt useful ideas.
- Such personalities tend to build a reputation for **reliable, stable, and consistent performance** that inspires others to select them to lead. They use their past experience and their factual knowledge in their decision making.
- Applicant is expected to be **persevering and dependable**. The thought of dishonoring a contract would appall a person of this type.
